**For Immediate Release:**

September 11, 2001

### **Public Hearing Cancelled**

The public hearing for the proposal to relocate Los Alamos National Laboratory (LANL) Technical Area (TA-18) missions has been cancelled by the U.S. Department of Energy's National Nuclear Security Administration (NNSA) Headquarters. NNSA cancelled the September 13<sup>th</sup> meeting in light of today's acts of terrorism. The meeting has not been rescheduled at this time.

The TA-18 Relocation environmental impact statement (EIS) will evaluate the environmental impact associated with relocating the TA-18 missions to the following alternative locations: a different site at LANL (the preferred alternative) at Los Alamos, New Mexico; the Nevada Test Site, Nevada; the Sandia National Laboratories, Albuquerque, New Mexico; and Argonne National Laboratory-West, Idaho Falls, Idaho.
